

KAES Student Interviews

Please ask the questions below and make notes as to student responses. Use the back of the page for additional comments if necessary. When done, please input these responses into the form at <https://kaes.pbworks.com/interview>. Please help keep all of this info together!!

Interviewers... please remember that this interview is the last hurdle this student has to enter the academy. We are attempting to learn more about each student so that we can be sure the student is interested in what we want to do. This interview will shape what our academy looks like next year!

- KAES offers three different “concentrations” – similar to a minor in college – to group common interests. Which concentration best fits you?
 - Agriculture (Animal / Plant Science)
 - Environmental Engineering (Sustainability / Technology & Design)
 - Foods Technology (Foods I/II)
- Why did you choose this particular concentration?
- What are your career goals? (What do you want to do after graduation from HS/college?)
- Which courses (give copy of Registration Checklist) do you plan to take at KHS to assist you in your career goals?
- What individual goals and strengths will you bring to KAES? (What makes you qualified for KAES?)
- What questions do you have about KAES?
- It is the recommendation of this interview team to admit this student into KAES for next year.
 - Yes No (If no, please explain WHY on the back of this page)
